## *Preface*

Jacob Blackwelder Shaver is my 3rd-great-grandfather. I was first introduced to the Shaver family history by my maternal grandfather (Jacob's great-grandson) Demus Cornelius Kizer (1900-1977). As a youngster in California in the 1960s-1970s, I enjoyed listening to Grandpa's stories about growing up in rural Arkansas. I was particularly fascinated with all of the people he mentioned, and often I asked him how he was related to each of them. He collected a lot of photographs of his family, and was a prolific correspondent with his relatives.

*Demus C. Kizer (ca. 1920)*

In 1973, when I had just turned age 16, Grandpa took me and another one of his grandsons to visit his family in Texas and Arkansas. We spent several days in the area around Mulberry and Ozark (in Crawford County and Franklin County) and got to visit a number of the places I had heard about and met many fascinating people.

This inspired my lifelong interest in genealogy, which I have pursued to this day. Although I have researched a number of my other family lineages through the years, my most extensive work has been done on the Shaver and Kizer families. By building a strong trail of evidence through correspondence with Demus's cousins and researching primary sources (particularly the USA federal census records and county vital records), I was able to trace my Shavers far enough back to connect to other researchers who were working on the same family. The most prolific (and helpful) Shaver researchers whom I met in the 1970s and 1980s were Mary Alice Hamm (a 2<sup>nd</sup>-great-granddaughter of Jacob) and W. Cary Anderson (a 3<sup>rd</sup>-great-grandson of Jacob's brother Joseph). This biography would not have been possible without the significant contributions of Alice and Cary<sup>1</sup>.

My branch of this large family had come to Arkansas (then a part of Missouri Territory) around 1815 by way of Tennessee (around 1810), North Carolina (early 1750s), Virginia (late 1740s), and Pennsylvania (before 1745), after the arrival of Jacob's grandfather Peter Schaeffer in New York from Germany, probably as a part of the Palatinate immigration of around 1710.

Jacob's parents John Shaver and Mary Blackwelder are the subjects of my Shaver genealogy web site at <http://arсланmb.org/shaver/shaver.html>. For the family of Mary Blackwelder's paternal grandparents John Blackwelder and Elisabetha Maushardt, see <http://arсланmb.org/blackwelder/blackwelder.html>.

## *Obituaries, Remembrances, etc. of Jacob Blackwelder Shaver*

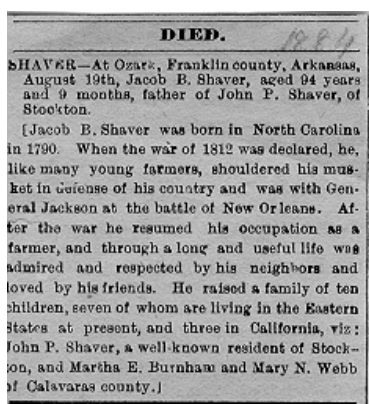

At least two contemporary (1884) obituaries of Jacob have been found. In addition, there is an article from the book *Arkansas 1911 Census of Confederate Veterans*, by Bobbie Lee Jones McLane (Hot Springs, AR: Arkansas Ancestors, 1981) and a letter written in 1923 by one of Jacob's daughters. He is also mentioned in the obituaries and remembrances of some of his children. These provide a good starting point for assembling a history of Jacob's life.

Like many obituaries and biographies written late in life, these contain a number of inaccuracies that were revealed by further in-depth research using older, primary sources. I'm not sure who provided the information for the obituaries or the *Confederate Veterans* article, but I imagine it was probably one or more of Jacob's children or their spouses. Since Jacob's parents and his wife died many decades before he did, I would consider the recollections about their backgrounds as being somewhat "approximate". The information about his adult life is likely to be much more accurate. Having said that, these sources contains some wonderful clues for further research that enabled us to eventually trace this family back to North Carolina and (earlier) to Germany.

Jacob Blackwelder Shaver died near Ozark, Franklin County, Arkansas on 19 August 1884. One obituary, appearing in an Ozark newspaper, was written by E. M. Roach<sup>2</sup>:

*"Jacob Shaver was born in Sumner Co., N. C. June 15, 1790. In 1824 he came to Arkansas but where he settled the writer does not remember. But 1838 found him in Wash. Co. where he made a profession of religion and joined the Cumberland Pres. Church under the ministry of the Rev. Andrew Buchanan. In 1849 he moved to Franklin Co. where he spent the remainder of his long and eventful life. He was a soldier of the War of 1812. Uncle Jacob was an earnest, true man while he was not noisy, but on the contrary was very quiet, and attended strictly to business, his religion was prominent. He was a Christian and his religion was of that character which took hold of and controlled his own life and conduct. He became a member of the White Oak congregation in 1851, but transferred his membership to Lone Elm in 1882. For about 6 years Uncle Jacob was confined to his room, and much of the time to his bed, in consequence of a very serious hurt from a fall on the ice in Ozark. He suffered a great deal but bore it with a great deal of Christian fortitude, and on the 19<sup>th</sup> of August passed away quietly and was buried at Fleeman's Chapel by the side of his wife who had preceded him by 30 years. He left several children and a great many grandchildren and quite a number of great grandchildren. So far as the writer knows this is the last link that connected Franklin County with the last century."*

Another obituary was published in a newspaper in California (probably in Stockton in San Joaquin County), where three of his children had moved to from Arkansas in the 1850s (following the gold rush):

<sup>2</sup> Enoch McNeely Roach was a Presbyterian minister living in Ozark.

*“At Ozark, Franklin county, Arkansas August 19<sup>th</sup>, Jacob B. Shaver, age 94 years and 9 months, father of John P. Shaver, of Stockton.*

*[Jacob B. Shaver was born in North Carolina in 1790. When the war of 1812 was declared, he, like many young farmers, shouldered his musket in defense of his country and was with General Jackson at the battle of New Orleans. After the war he resumed his occupation as a farmer, and through a long and useful life was admired and respected by his neighbors and loved by his friends. He raised a family of ten children, seven of whom are living in the Eastern States at present, and three in California, viz: John P. Shaver, a well-known resident of Stockton, and Martha E. Burnham and Mary N. Webb of Calaveras county.]”*

The Goodspeed Publishing Company of Chicago, Illinois published a large number of county histories and biographies in the 1880s and 1890s. One of these, *History of Benton, Washington, Carroll, Madison, Crawford, Franklin, and Sebastian Counties, Arkansas* (Chicago, IL: Goodspeed Publishing Co., 1889), contained a biography of Jacob’s son-in-law William M. Kizer on pages 1251-1252:

*“ . . . On the 26<sup>th</sup> of January, 1859, he was married to Miss Thurzy M. Shaver, a daughter of Jacob B. Shaver. She was born in Washington County, Ark., March 13, 1836 . . . Mrs. Kizer’s father was a native of North Carolina, but removed to Tennessee and an early day, from which State he came to Washington County, Ark. He was a soldier in the War of 1812, being at the battle of New Orleans, and died in 1883 at the extreme old age of ninety-six.”*

Decades later, on 12 Apr 1923, his daughter Martha Elizabeth (Shaver) Burnham wrote to her niece Mary Elizabeth (Shaver) Baird:

*“ . . . in regard to my relations your Grandfather<sup>3</sup> married a Moss, and her Grandfather was in the Revolutionary War and died in it. and they came (Shavers came) from Germany instead of Holland.*

*I am not sure of the date the Shavers came to America but they came before the Revolutionary War set in. and I can’t say just what part of Germany they came from. Jacob Shaver was my father and married Thirza Moss. and my father’s mother’s maiden name was Blackwelder.*

*. . .*

*My Great Grandfather Moss fought in the first Revolutionary War which lasted 8 years and he died in the service and my father fought in the second Revolutionary War.”*

A survey was conducted in the state of Arkansas in 1911-1912, in which questionnaires were sent to Confederate veterans, asking them about their personal and family histories. Information from the returned questionnaires was abstracted and published in 1977-1981 by Bobbie J. McLane and Capitola Glazner in a book entitled *Arkansas 1911 Census of Confederate Veterans* (Hot Springs, AR: Arkansas Ancestors, 1981). Although Jacob Shaver was too old to have fought in the Civil War, his sons did. one of the returned questionnaires was from his son Francis Marion “Frank” Shaver. The abstract appearing in the “1911 Census” mentioned Jacob’s background:

*“Shaver, Francis Marion of Ozark, Ark. was born Mar. 29, 1838 at Fayetteville, Washington Co., Ark., the son of Jacob B. Shaver of Lynchburg, N. C., who moved to Nashville, Tenn., then to Logan Co., Ark., thence to Washington Co., Ark. from there to Franklin Co. in 1849 where he spent the rest of his life. He was the son of John & Ester Shaver who came from Germany to NC. Maiden name of subject’s mother was Thurza Moss. Thurza Moss and Isaac Moss, her brother, orphans, came from England. When young, Jacob B. Shaver settled in Washington Co., Ark. in 1824 while still a territory. He died in Aug. 1884 in Franklin Co., Ark. . . .”*

<sup>3</sup> Jacob Blackwelder Shaver

There are some common threads throughout these different accounts, as well as a number of discrepancies and errors (particularly in the 1911 questionnaire from his Jacob's son Frank). To sort fact from fiction, it is necessary to find as much primary source information as possible from documents recorded throughout Jacob's life. More weight should be given to data recorded close to the time of the event by someone who had first-hand knowledge (including Jacob himself). However, memory fades with time, people providing the information may not do so accurately (either intentionally or unintentionally), and transcription errors are possible. The more primary sources that are examined, the better the chances will be of an accurate portrayal of his life.

## ***Shaver Family Background***

Jacob Blackwelder Shaver was a son of John Shaver and Mary Blackwelder. (He was probably among the youngest of their eleven children.)

John Shaver was born about 1745 in Ephrata, Lancaster County, Pennsylvania to Peter Schaeffer and Dorothy (Miller?). Peter Schaeffer's father is thought to have been Joseph Schaeffer, who arrived in the 1709-1710 Palatinate immigration (from Germany by way of London, England) to New York. (The surname was Anglicized to Shaver in the mid-1700s.) Not long after John's birth in 1745, Peter moved his family from Pennsylvania to the New River settlement in southern Virginia (in present-day Pulaski County). In the early 1750s, they moved again to Cape Fear River in Bladen County, North Carolina (the northern half of which became Cumberland County in 1754). The land on which they settled was "opposite the mouth of Rockfish Creek", which places it about five miles south-southeast of present-day Fayetteville, Cumberland County, North Carolina.

By the late 1760s, John Shaver left Cumberland County and settled along Cold Water Creek in Mecklenburg County, North Carolina, in the part that became Cabarrus County in 1792. Around 1769, John Shaver married Mary Blackwelder, a daughter of John Adam Blackwelder and his wife Catherine (maiden surname unknown). Mary's family name, Blackwelder, was Anglicized from Schwarzwald after her father's immigration to America from Germany. (He arrived in Philadelphia, Pennsylvania from Germany on 14 September 1738 aboard the ship *Friendship*. He was born Durrn, Schwarzwald (Black Forest), Germany in 1715. The Schwarzwald ancestry has been traced back to John Adam Blackwelder's great-great-grandfather Jacob Schwarzwald, who died in 1646.)

John Shaver served as a Private in the North Carolina Militia during the American Revolution.

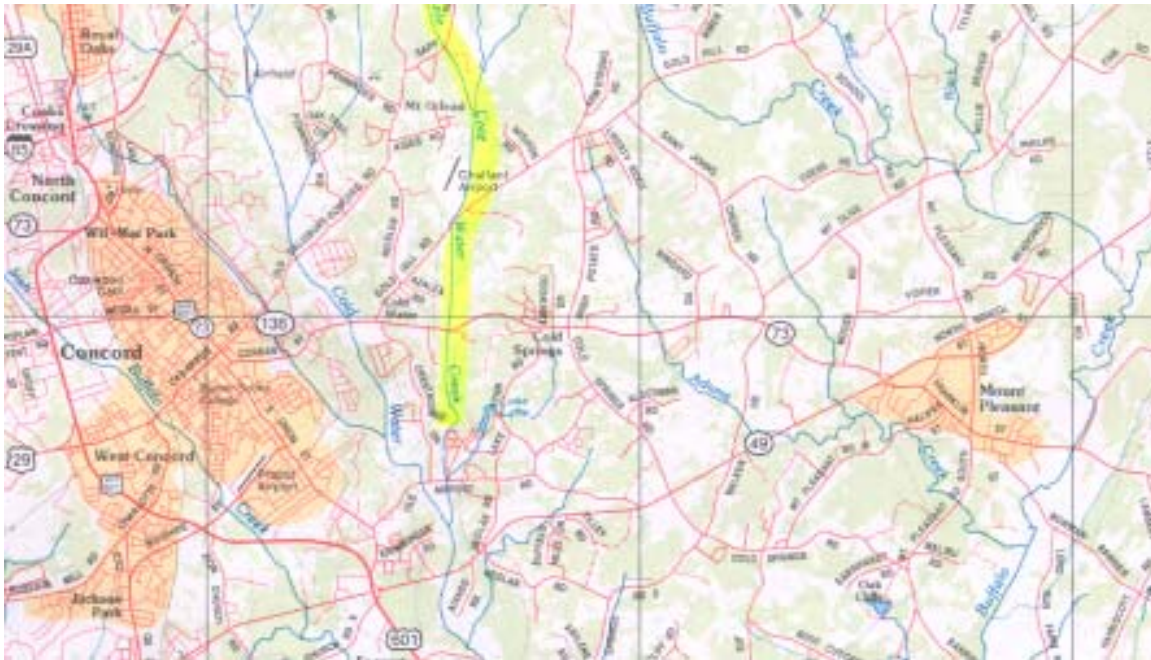

Where did the John Shaver and his wife Mary live? Cold Water Creek and its tributary Little Cold Water Creek are just to the east of the present-day town of Concord in Cabarrus County (formed in 1792 from Mecklenburg County), along the road to Mount Pleasant. Mary's father John Adam Blackwelder received a grant of 156 acres of land in 1762 on "little Coldwater and waters of rocky or Johnstons river", which he sold to Mary's brother Charles Blackwelder on 26 September 1794<sup>4</sup>. This is where Mary lived at the time of her marriage to John Shaver. (Many of the current residents of this part of Cabarrus County are descendants of John Adam Blackwelder or his brother Caleb Blackwelder.)

On 2 November 1784<sup>5</sup>, John Shaver received a grant (from the State of North Carolina) of 150 acres of land along Cold Water Creek.

The John Shaver family appears in the 1790 census of Mecklenburg County, North Carolina (Salisbury District, page 367):

John Shaver	2	6	4	
-------------	---	---	---	--

At this time, the household consisted of two free white males of 16 years and upwards, six free white males under 16 years, four free white females, and no slaves. It is not clear if these numbers include non-relatives living in the household. Jacob had six brothers (Peter, John, Daniel, Michael, Joseph, and Charles) and four sisters (Rachel, Leah, Elizabeth, and Easter). Jacob and some of his siblings may have been born just after this census, in the early 1790s. The date of Jacob's birth is either 15 June 1790 or 6 May 1792. Both dates are reported to have been transcribed from family Bibles (whereabouts now unknown), but Jacob's age as given in the 1850-1880 census records and an 1851 bounty land claim lend support to the 1792 date.

On 20 January 1794<sup>6</sup>, John Shaver sold the last of his land in Cumberland County (160 acres, a share of the 640 acres owned by his father Peter Shaver, who died intestate some years earlier). This deed was signed by both John Shaver and his wife Mary, and is the only known piece of documentary evidence showing his wife's first name.

Around 1796, John Shaver was one of 418 signers of a petition (*John Melchor's Petition*) involving fishing rights along the Rocky River and its tributaries in Cabarrus County. (Cold Water Creek and Little Cold Water Creek are tributaries of the Rocky River.) Here is his signature:

<sup>6</sup> NC, Cumberland Co., Deed Book 8, pp. 53-56

*John Shaver*

On 18 April 1796<sup>7</sup>, John Shaver purchased one of the original lots in the newly-formed town of Concord – “Lot No. 4 in the South East Square . . . beginning at Union Street”. This was located at the southeast corner of Union Street and Corban Street (across the street from where the Cabarrus County Courthouse building is currently situated).

His family appears in the 1800 census of Cabarrus County (page 686):

John Shaver	1	1	1	1	2	1	1	1	3
-------------	---	---	---	---	---	---	---	---	---

John Shaver’s household in 1800 consisted of six free white males (four under age 10, one of 16 and under 26, and one over 45), five free white females (one under age 10, two of 10 and under 16, one of 16 and under 26, and one over 45), and three slaves. Jacob was probably about eight years old at this time. It looks like his three oldest brothers (Peter, John, and Daniel) had left the household, perhaps having already moved Sumner County, Tennessee, where John Shaver’s brother Michael had settled and died a few years earlier.

John Shaver sold his lot in Concord in August 1802<sup>8</sup>. On 21 September 1803<sup>9</sup>, he also sold to William McGraw “land joining sd. McGraws land on the west side of Coldwater containing eight acres”.

Four of John Shaver’s children were married in Cabarrus County (dates of marriage bond given).

5 November 1798 – Rachel to John Cline  
29 November 1803 – Leah to Matthias Mock  
9 Apr 1807 – Elizabeth to George Letsinger  
7 Sep 1808 – Joseph to Mary Corzine

John Shaver does not appear in the 1810 Cabarrus County census. Had he already moved the rest of his family to Sumner County, Tennessee? (Unfortunately, the 1800 and 1810 federal censuses for Tennessee have been lost.) The 1811 tax list of Sumner County lists two John Shavers (Jacob’s father and brother).

Two of John Shaver’s sons were married in Sumner County (dates of marriage bond given).

18 September 1805 – Daniel to Josa Chaddock  
1 October 1811 – Michael to Elizabeth Mock

John Shaver’s daughter Elizabeth apparently died before 1812, as her husband George Letsinger remarried in Sumner County, Tennessee (bond dated 30 May 1812) to Elizabeth White.

The last record of a John Shaver in Cabarrus County (for this era) is a deed dated 2 September 1815<sup>10</sup>, in which he sold 178 acres of land “on the road leading from Concord to Charleston” to William

McGraw. The deed says that this John Shaver was of Cabarrus County, but our John Shaver and a number of his married children were already in Sumner County, Tennessee by this time. (Was this land deed for the same John Shaver?)

Nothing more is known about Mary (Blackwelder) Shaver. We don't know if she lived long enough to move with the rest of her family from North Carolina to Tennessee.

## ***Brief Stay in Tennessee . . . and the War of 1812***

The first documented evidence of Jacob Blackwelder Shaver are the records relating to his service in the War of 1812. The United States declared war against Great Britain on 18 June 1812. The Treaty of Ghent, signed on 24 December 1814, officially ended the war, but word was slow in getting to the soldiers in the field (and on the sea), so the Battle of New Orleans was fought 8 January 1815 and was a disaster for the British. (See <http://www.army.mil/cmh-pg/books/amh/amh-06.htm>.)

According to Jacob's military service and pension records<sup>11</sup>, he enlisted at Sumner County, Tennessee on 16 October 1814 for a period of six months. He served in the Western Tennessee Militia, Capt. Matthew Neal's Company. This company constituted part of 1<sup>st</sup> Regiment, commanded by Col. Williamson, as well as the 3<sup>rd</sup> Regiment, commanded by Col. James Roulston. In November 1814, Roulston was commissioned Colonel in command of this regiment, a part of Gen. William Carroll's Division. He organized in Tennessee (including Sumner County) with orders to defend New Orleans from an expected invasion by the British.

From *Regimental Histories of Tennessee Units During the War of 1812* on the Tennessee State Library and Archives web site:

*"COLONEL JAMES RAULSTON*

*DESIGNATION: 3rd Regiment West Tennessee Militia Infantry*

*DATES: November 1814 - May 1815*

*MEN MOSTLY FROM: Jackson, Sumner, Wilson, Overton, Smith, and White Counties*

*CAPTAINS: James A. Black, Matthew Cowen, Henry Hamilton, Elijah Haynie, Wiley Huddleston, Matthew Neal, Daniel Newman, Edward Robinson, Charles Wade, Henry West*

*BRIEF HISTORY:*

*Part of Major General William Carroll's division at the battles for New Orleans, this regiment suffered casualties during the skirmish of 28th December 1814 and had two of the handful of fatalities on the famous 8 January 1815 battle. General Carroll's report of the battle tells that Captains Elijah Haynie and Matthew Neal "had the honor of receiving and repelling the attacks of the British forces."'"<sup>12</sup>*

Jacob Shaver's brothers Charles and Joseph also served in Tennessee militias during this war.

Jacob was honorably discharged from the service with the rank of Corporal on 25 April 1815, either at Nashville, or "the Tennessee River". (Some documents in his military file show his dates of enlistment and discharge to be, respectively, 13 November 1814 and 13 May 1815. These might be a result of his company joining Roulston's regiment in November.)

In a document signed and filed in Sumner County on 10 November 1815, Jacob appoints "John Shaver of Sumner County" (most likely his older brother) his attorney to recover pay due to him for his service. This document was signed by David Humphreys and John A. Claxton.

There are a number of other interesting papers in Jacob's military and pension file that provide information about him later in his life.

Sometime between 1815 and 1818, John Shaver and many of his children (including Jacob) left Sumner County, Tennessee to settle in sparsely-settled Lawrence County in the Missouri Territory. (Lawrence County became a part of Arkansas Territory upon its formation in 1819, when Missouri applied for statehood. Randolph County was subsequently formed on 29 October 1835 from the part of

Lawrence County in which the Shaver family had settled. Arkansas became a state in 1836.) This was about 260 miles due west of Sumner County, Tennessee. Perhaps Jacob, Joseph, and Charles traveled in that area during their service in the War of 1812 and learned of settlement opportunities there.

## Settlement in Northeast Arkansas

A comprehensive history of this part of Arkansas in which the John Shaver family settled is *History of Randolph County, Arkansas*, by Lawrence Dalton (Little Rock, AR: Democrat Printing & Lithography Co., ca. 1946). Dalton states:

*“Shaver’s Eddy on Black river about 10 miles above Pocahontas is near the first home of the Cherokee Bay Shavers. This is just south of the lower end of Cherokee Bay. Here Michael, Daniel, Jacob W. and other Shavers lived around 1820 or before.”*

*Eastern part of present-day Randolph County, Arkansas, showing area around Shaver’s Eddy and Cherokee Bay along the Black River in Current River Township where John Shaver and his family first settled in the mid-1810s*

Dalton describes the Independence Day celebration of 1821:

*“On July 4, 1821, the settlers around Fourche de Thomas celebrated the forty-fifth anniversary of the signing of the Declaration of Independence with a big barbecue. The day was royally celebrated, according to information handed down to us. A liberty pole, taller than the trees, was erected. This pole stood for many years and became a noted landmark. A military parade was staged with Jacob Shaver as grand marshal. He was mounted upon a fine Kentucky stallion and*

*put the menfolks through a series of marches. Daniel Plott read the Declaration of Independence with great fervor. Matthias Mock presided over the feast and was ably assisted by Dr. P. R. Pitman and Dr. William Jarrett."*

Matthias Mock is Jacob Shaver's brother-in-law, having married Leah Shaver in 1803 in Cabarrus County, North Carolina.

On 13 March 1820<sup>13</sup>, Jacob Blackwelder Shaver married Thurza Moss. She was born 16 November 1802, probably in Tennessee. (The names of her parents are not known.) Jacob and Thurza likely remained in Lawrence County (later Randolph County) for the births of their first two children:

first child – son William Jasper Shaver, born 2 February 1821 or 1822  
second child – daughter Matilda Caroline Shaver, born 2 August 1823

Sometime in the mid-1820s, Jacob, Thurza, and their two young children left the rest of Jacob's relatives and moved to northwest Arkansas.

Jacob's father John Shaver remained in Lawrence County (Randolph County after 1835). At the time of the 1830 census, he was in his 80s and was one of the oldest men in the Arkansas Territory. He was the only white person in his household, along with 11 black slaves. John Shaver left a will dated 22 March 1832<sup>14</sup>; the will was proved 10 March 1835:

*"Lawrence County, Arkansas Territory*

*I, John Shaver of said county and territory knowing that it is impossible by the irrevocable decrees of heaven unto all men once to die and feeling myself far advanced in the evening of life and by common causes of nature I know that my time of probation on earth will not be long. I therefore avail myself of the opportunity while I am of sound and disposing mind to make this my last will and testament. And in the first place I recommend myself to God who gave it and my body to its mother dust from whence it came to be enterred in a decent and Christian like manner. As it relates to my Estate, I hereby dispose of it in the following manner. At my natural death I will and bequeath unto my legal heir Peter Shaver, John Shaver, Daniel Shaver, Joseph Shaver, Michael Shaver, Jacob Shaver, Charles Shaver, Rachel Clien, Lear Mock, Easter Murray, each of the above named legatees to have an equal part of my estate both real and personally and to Elizabeth Lisenger, daughter of Elizabeth Lisenger decd., my daughter, I will and bequeath one hundred dollars to be paid by my Executors when legally demanded by her or agent. Also to the above named Easter Murray and the lawful heirs of her body, I wish to have an equal part with the rest of my heirs. I furthermore say and declare in this my last will and testament that John Murray (who married my daughter Easter Shaver) shall never have the privilege of selling, trading or in any way disposing of any of my estate whether personal or real but I do hereby will and bequeath it to my daughter and the heirs of her body exclusively to themselves for their use and benefit and not to be subject to the control or use of said Murray in any way whatever. Also to the heirs of Leah Mock I will and bequeath an equal part with the rest of the Legatees my last will and testament is that my Executors who I shall hereafter name shall demand all the legatees has any of the property in hand which property I have not bargained nor sold to any of them if they bring it forward to the Executors and receive their part in full, if not they must account to the Executors for the same. Peter Shaver has one girl name Lilly I suppose to be worth six hundred dollars, John Shaver one girl named Fanny worth seven hundred dollars Daniel Shaver one woman named Ann and two children worth one thousand dollars, Joseph Shaver one girl named Harriet worth five hundred, Jacob Shaver one girl name Polly worth six hundred dollars, Charles Shaver one boy called Green worth six hundred dollars, Easter Murray one girl Sopha*

<sup>13</sup> Bible says 13 March 1820; Jacob's "Declaration for a Pension" in his pension file, dated ca. 1871, says he was married in February 1820 at "Randolph Ark." to "Thirza Moss".

Most of Jacob Shaver's siblings and their families remained in northeast Arkansas. A large number of people in that part of Arkansas today are descendants of John Shaver and Mary Blackwelder.

## ***Settlement in Northwest Arkansas (to 1850)***

Jacob Blackwelder Shaver next appears in the tax list of Horsehead Township, Crawford County, in northwest Arkansas in 1828. (Due to the changing township and county boundaries during that period, that land ended up in Hogan Township of Franklin County, upon its formation from Crawford County in 1837.) This is about 190 miles west-southwest of where the rest of the Shaver family resided in north-east Arkansas.

By 1829, Jacob and Thurza had three more children, probably born in this vicinity (old Horsehead Township):

- third child – son Isaac Milton Shaver, born 28 December 1825
- fourth child – daughter Mary Narcissa Shaver, born 20 April 1828
- fifth child – daughter Martha Elizabeth Shaver, born 25 December 1829

The 1830 census of Horsehead Township (page 60) shows Jacob Shaver's household with one male under 5 (Isaac Milton), one male of 5 and under 10 (William Jasper), one male of 30 and under 40 (Jacob Blackwelder), two females under 5 (Mary Narcissa and Martha Elizabeth), one female of 5 and under 10 (Matilda Caroline), one female of 20 and under 30 (Jacob's wife Thurza), as well as one female (black) slave of 10 and under 24 (probably the "one girl name Polly worth six hundred dollars" mentioned in Jacob's father's will).

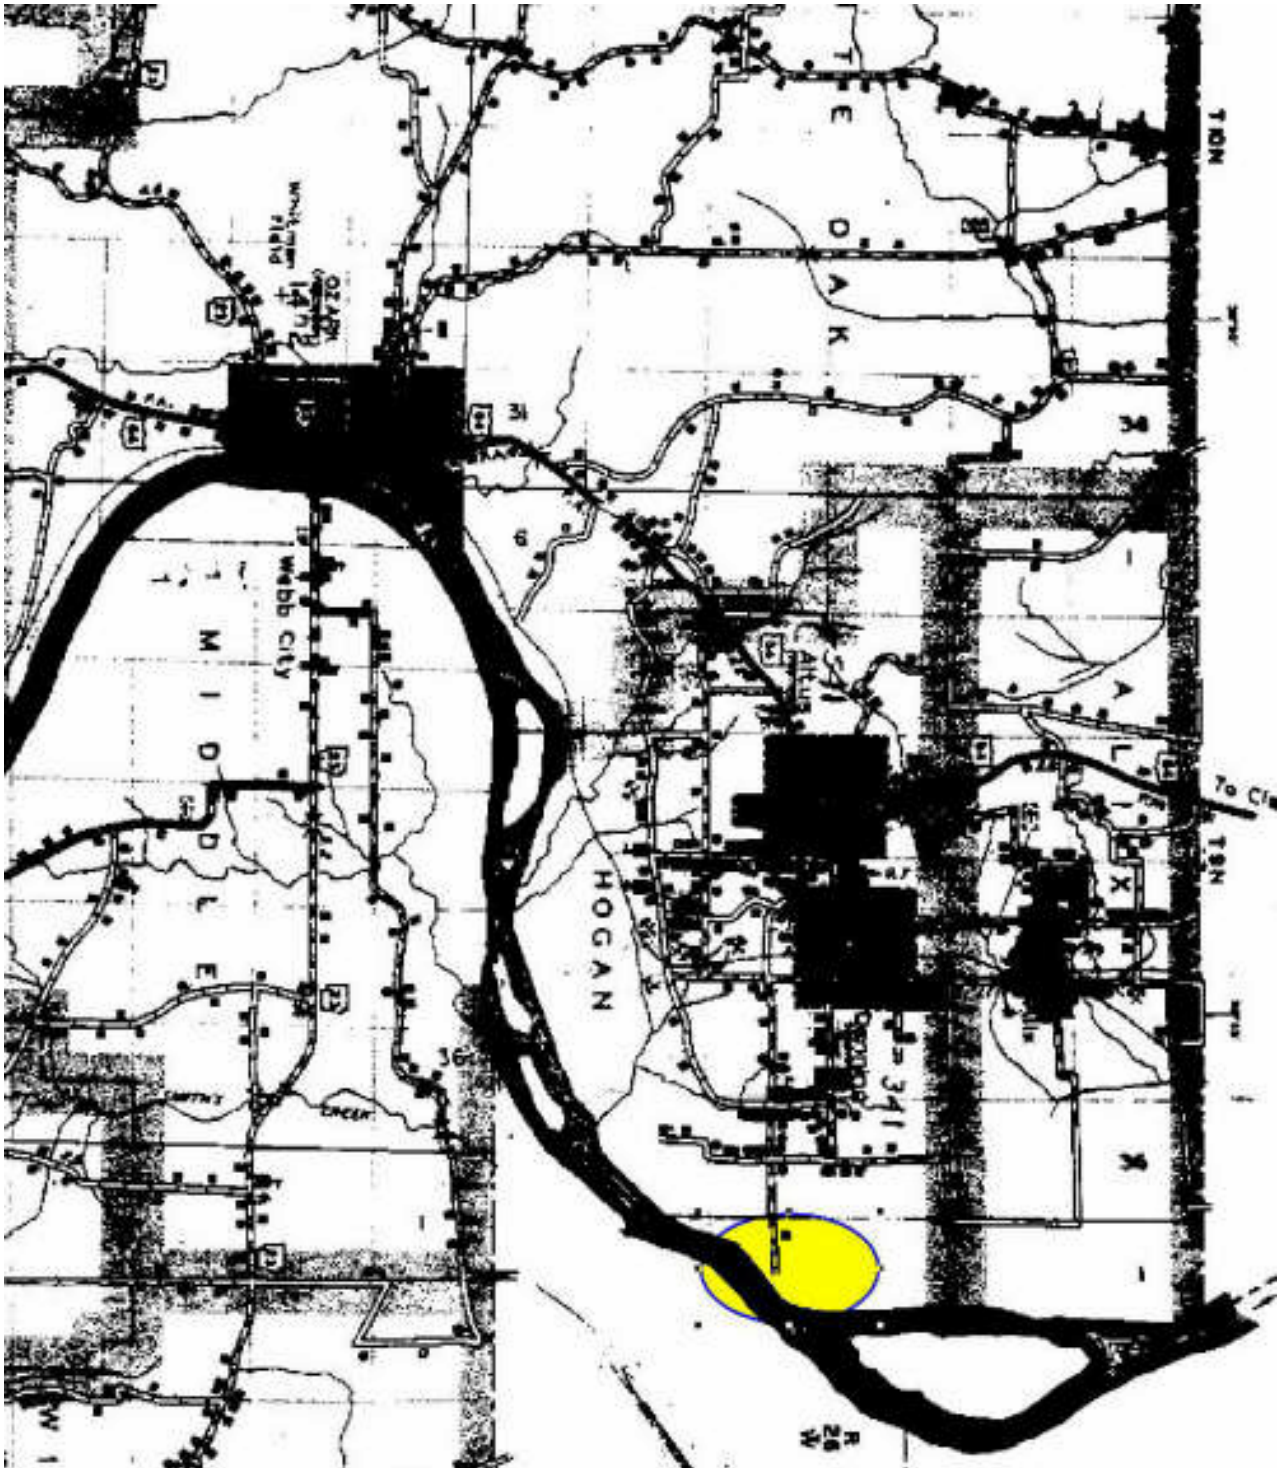

Jacob apparently did not own any land at this time, but the location of his residence can be determined by examination of the land patents for his neighbors who did own land. He lived in or very near Section 4 of Township 8 North, Range 26 West (T8N R26W) in what is now Hogan Township in south-east Franklin County, Arkansas, along the north side of the Arkansas River. This is about eight miles southeast of the town of Ozark.

*Location of Jacob Shaver's residence around 1829-1830 in old Horsehead Township, Crawford County, Arkansas (now in Hogan Township, Franklin County, Arkansas), on the north side of the Arkansas River about eight miles southeast of Ozark*

By 1836, Jacob had relocated his family again about 45 miles north-northwest to Richland Township in Washington County, Arkansas. Three more children were born:

sixth child – son Joseph Phenius Shaver, born 23 March 1832

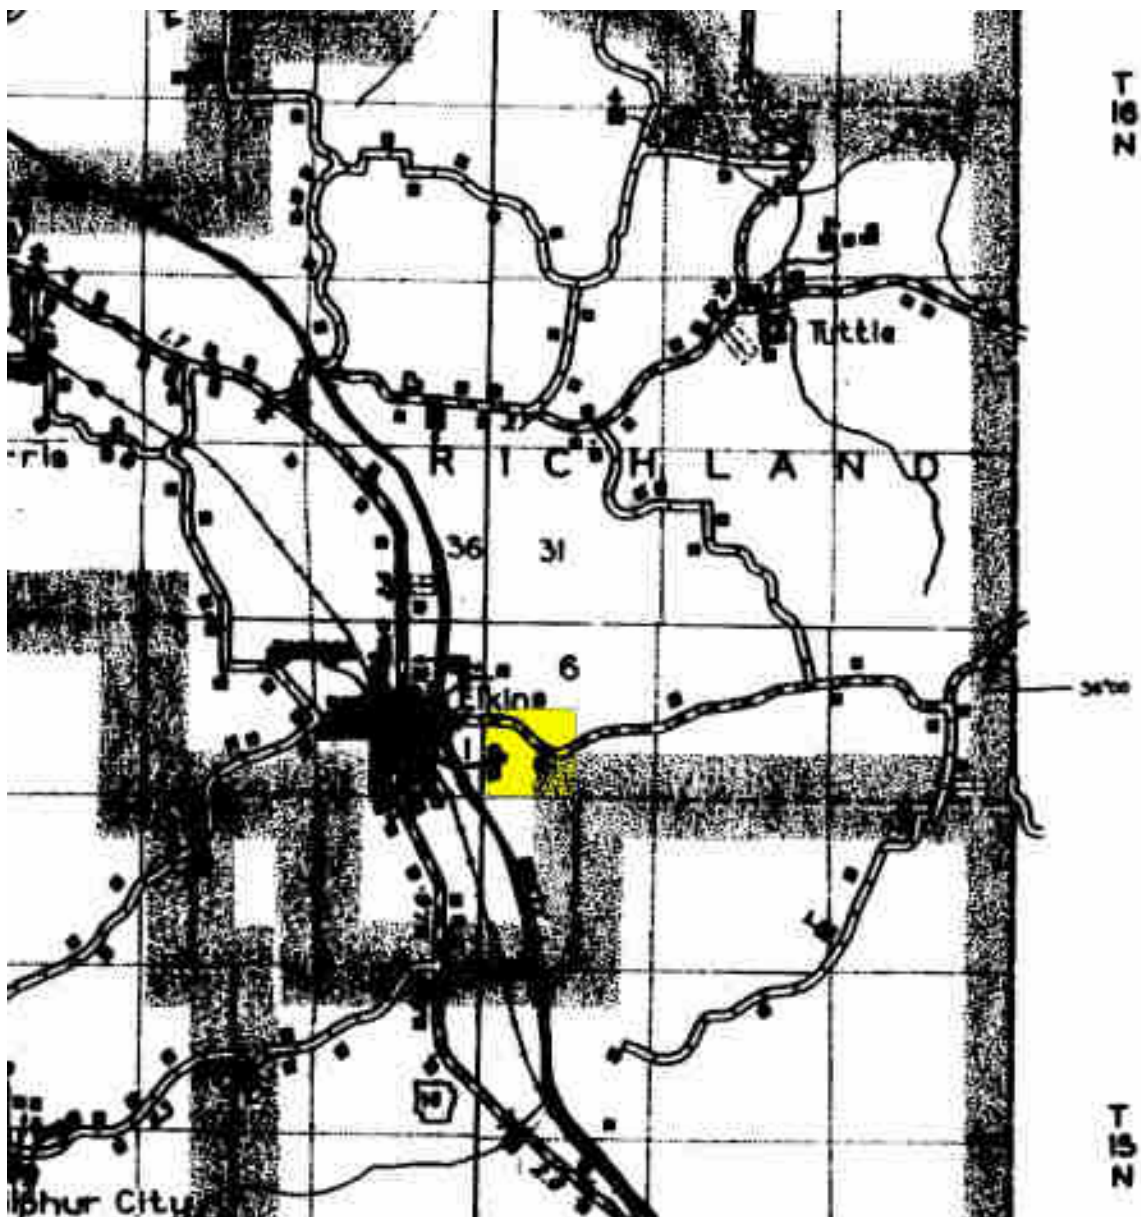

seventh child – son John P. Shaver, born 5 May 1834

eighth child – daughter Thurza Malinda Shaver, born 13 March 1836 (my 2<sup>nd</sup>-great-grandmother, Demus Kizer's paternal grandmother)

The 1836 tax list shows Jacob Shaver with three horses and eight head of cattle. On 24 February 1836, he made his first of several purchases of public land (39.15 acres in the SE  $\frac{1}{4}$  of SW  $\frac{1}{4}$  of Section 6, T15N R28W), taking advantage of an 1820 act of Congress to promote the settlement of farms on public lands in the [then] western states for \$1.25/acre. This land was patented to him on 20 August 1838. On 6 February 1838, he purchased an adjoining tract of 39.19 acres (in the NE  $\frac{1}{4}$  of SW  $\frac{1}{4}$  of Section 6, T15N R28W), which was patented to him on 20 September 1839. In 1838, he purchased another adjoining tract (40 acres in the NW  $\frac{1}{4}$  of SW  $\frac{1}{4}$  of Section 6, T15N R28W), which was patented to him on 10 March 1843, but that land had been previously purchased by Daniel Ritter (as a part of the W  $\frac{1}{2}$  of SW  $\frac{1}{4}$  of Section 6, T15N R28W) and Jacob's claim to the land was subsequently cancelled.

This land is located in Richland Township near the White River (just to the east of where the town of Elkins now stands, which was formed in the late 1800s).

*SW ¼ of Section 6, T15N R28W in Richland Township, Washington County, Arkansas; Jacob Blackwelder Shaver was the original landowner of the east half of this quarter-section*

Jacob appears on the tax lists of 1837, 1838, and 1840. Another child was born during this time:  
ninth child – son Francis Marion Shaver, born 29 March 1838

The 1840 census of Richland Township (page 253) shows Jacob's household with one male under 5 (Francis Marion), two males of 5 and under 10 (Joseph Phenius and John P.), one male of 10 and under 15 (Isaac Milton), one male of 15 and under 20 (William Jasper), and one male of 40 and under 50 (Jacob Blackwelder). There was one female under 5 (Thurza Malinda), one female of 5 and under 10 (Martha Elizabeth, who was actually 10 years of age), one female of 10 and under 15 (Mary Narcissa), one female of 15 and under 20 (Matilda Caroline), and one female of 30 and under 40 (Jacob's wife Thurza). Three of the family members were employed in agriculture. There were no slaves in the household. (What became of Polly?)

The last of Jacob and Thurza's eleven children were born shortly afterwards:

tenth child – son Andrew Buchanan Shaver, born 5 or 10 April 1841

eleventh child – daughter (unnamed), born 24 September 1844, died 10 October 1844

Jacob Blackwelder Shaver next appears on the 1846 tax list of Richland Township, with 118 acres of land (valued at \$450, still including Ritter's tract) and three head of cattle. His son Isaac is listed with no taxable property. Jacob's oldest son William Jasper had already moved to Louisiana, where he married Pernetta Allen around 1844.

Later this same year, on 17 October 1846<sup>15</sup>, Jacob sold his land holdings in Washington County (all 118 acres) to James Sutton for \$287.90. Apparently this transaction fell through, since another deed of sale for this same land was executed from Jacob and Thurza Shaver to William Shumate on 15 April 1847<sup>16</sup> for \$325. (In the 1850 census, William Shumate owned land in Richland Township valued at \$1000; James Sutton, a 56-year-old merchant, was living in an inn in nearby Fayetteville, owning no real estate.)

The 1847 tax list of Washington County includes both Jacob and his son Isaac, neither of whom owned land. Jacob had one horse and one cow. Isaac had one horse and six head of cattle.

Within the next year (1847-1848), Jacob's family moved once again to Franklin County, Arkansas, settling in White Oak Township near Ozark. They do not appear in the tax list for 1848, but in that year in Franklin County Jacob was appointed guardian<sup>17</sup> for his granddaughter Mary Pernetta Vaughn (daughter of Matilda Caroline). Matilda Caroline (Shaver) Vaughn's husband Randolph Vaughn, whom she had married a few years earlier, died as a soldier in the Mexican War (probably in Texas or Mexico).

Jacob's family appears in the 1850 census of Franklin County, Arkansas (White Oak Township, page 109, dated 21 October 1850):

## ***Franklin County, Arkansas (from 1850 to the Civil War)***

Congress on 28 September 1850 passed an “act granting bounty land to certain officers and soldiers who have been engaged in the military service of the United States”. This included veterans of the War of 1812. Jacob filed a Bounty Land Claim at Ozark on 25 January 1851, stating “he never has received any bounty land for his service”. The form was sworn to and subscribed before Dudley W. Fillingin, Judge of the Probate Court of Franklin County.

Here is Jacob’s signature on the Bounty Land Claim:

Whereby certify that I believe the sai

When he received the bounty land is not certain. Jacob appears on the tax list of 1852 without land. The next tax list on which he appears (1855) shows Jacob with 80 acres. On 7 February 1855<sup>18</sup> Jacob signed a Deed of Conveyance (as grantor) to Dudley W. Fillingin (as grantee) for \$400 for 80 acres just about a mile or two northwest of Ozark (E ½ of NE ¼ of Section 27, T10N R27W).

On 3 March 1855, Congress passed another act extending the minimum acreage for bounty land claims to 160 acres, regardless of rank. Those who had not yet received their 160 acres could file a claim for additional land. Jacob made another application for bounty land in Franklin County on 31 March 1855<sup>11</sup> (before W. T. H. Stokes, J. P.):

*“He makes this declaration for the purpose of obtaining the Bounty Land to which he may be entitled under the act granting additional Bounty Land to certain officers and soldiers who have been engaged with military service of the United States approved March 3<sup>rd</sup> 1855 and refers to his firm declaration made under act of \_\_\_\_ 18\_\_ [fields left blank] upon which he obtained a Land Warrant for Eighty acres Number 20.878. which he having already located, is not in his power to surrender the same.*

*He further declares that he has not received a warrant for Bounty Land under any other act of Congress, nor made application therefor other than the one before referenced to under act of 28<sup>th</sup> September 1850 upon which he obtained the said Land Warrant No 20.878. for Eighty Acres and the one now presented. [signed] Jacob Shaver”*

The 1855 application was witnessed by Dudley W. Fillingin and A. L. Berry. It does not appear that he obtained any more bounty land as a result of this application.

According to Jacob’s 1884 obituary in an Ozark, Franklin County newspaper, his family belonged to the White Oak congregation of the Cumberland Presbyterian Church starting in 1851. Jacob’s wife Thurza had died on 18 March 1854 and was buried at Fleeman’s Chapel Cemetery, which is located in Ozark.

By the end of the 1850s, a number of the children of Jacob and Thurza had married and left their parents’ household to establish households of their own. William Jasper (their oldest child) had left in the 1840s for Louisiana and was probably living in Henderson County, Texas by the mid-to-late-1850s. Matilda Caroline (their second child) was widowed by the Mexican War and returned to her parents’ household in 1848 (with her infant daughter).

<sup>18</sup> AR, Franklin Co., Deed Book A, p. 479

On 23 June 1850<sup>19</sup>, Martha Elizabeth Shaver (fifth child of Jacob and Thurza) married to Andrew Jackson “Jack” Tucker (son of Robert Tucker and Sarah Pelphrey). Another Tucker marriage, James M. Tucker to “Matilda Vaughn”, occurred on 18 July 1850<sup>20</sup>. It is not clear whether this Matilda Vaughn is Martha’s older sister or someone else. In Matilda Caroline’s 13 February 1855<sup>21</sup> marriage to D. M. Webster, she is listed as “Matilda C. Vann”, not Tucker. (D. M. Webster died before 1860 and she did not remarry.)

A close neighbor of Jacob Shaver was Kendall Webb. Two of Kendall Webb’s children (by his wife Mary McDougall, since deceased) married into Jacob Shaver’s family. On 6 February 1851<sup>22</sup>, Mary Narcissa Shaver (fourth child of Jacob and Thurza) married to John Perkins Webb. Isaac Milton Shaver (third child) married to Margaret Jane Webb on 26 May 1852<sup>23</sup>.

In 1852, Martha Elizabeth and her husband Jack Tucker headed to California. He reportedly deserted her en route or was forced to leave the wagon train for mistreating her. She gave birth to a son, Alfred Lafayette (“Lafe”) in Green River, Utah Territory (now in Sweetwater County, Wyoming) in July of that year, and proceeded on to California. She married in California in 1856 to James Ervin Burnham, a miner, and settled in Calaveras County (in the Sierra Nevada mountain range, not far from where the Gold Rush began just a few years earlier). She was joined in California soon afterwards (probably in 1856 or 1857) by her brother John P. Shaver (Jacob and Thurza’s seventh child), who also tried his hand at mining.

On 9 March 1855, their sister Mary Narcissa (Shaver) Webb and her husband John Perkins Webb sold their 20 acres of land in Franklin County (E ½ of SW ¼ of NW ¼ of Section 7, T10N R27W) to James Tucker (the same one who married Matilda Vaughn in 1850?) and migrated to California. (Their second child George Dibrell Webb was born on the way, in Utah Territory, on 6 July 1855 or 1856.) They first lived in Calaveras County, but then moved to San Joaquin County in California’s Central Valley by 1860. John P. Webb was a farmer. His father Kendall Webb and family also left Franklin County in the 1850s to take up farming in Calaveras County, California.

On 14 September 1854<sup>24</sup>, Joseph Phenius Shaver (sixth child of Jacob and Thurza) married to Nancy (Kizer) Baker (widowed daughter of Valentine Kizer and Frances McCord, both of whom died in Missouri in the early 1850s). At the time of her marriage to Joseph, Nancy had an 8-month-old son James (born 29 December 1853), by her first husband Patrick M. Baker (whom she married in Osage County, Missouri on 1 January 1851). The date and place of James’ father’s death is not known. Nancy and her younger siblings were brought to Franklin County soon after their parents’ deaths, reportedly by an uncle. One of her brothers, William M. Kizer, married on 26 January 1859<sup>25</sup> to Thurza Malinda Shaver (Jacob and Thurza’s eighth child).

William M. Kizer and his wife Thurza Malinda are my 2<sup>nd</sup>-great-grandparents. For a biography of William M. Kizer, see <http://arslanmb.org/kiser/Bio-WilliamMKizer-163.pdf>.

In the 1860 census, Jacob's family appears in Mulberry Township in Franklin County (page 73 (313)<sup>26</sup>, dated 23 June 1860). Isaac and his family were next door.

Only two of Jacob's children remained in his household in 1860 – Francis Marion “Frank” and Matilda Caroline. Her husband, D. M. Webster, whom she married in 1855, had died by 1860. Matilda's two children, Mary Pernetta “Nettie” Vaughn and M. “Lindy” Webster, were also in the household. (Lindy's given name was probably Malinda, after her aunt Thurza Malinda.) Jacob's place of birth is incorrectly given as Tennessee (not North Carolina). Jacob and Isaac were farmers, but did not own any land at this time. Neither Jacob nor Isaac owned slaves in 1860. Where exactly in Franklin County did they live in 1860?

By looking at the names of his neighbors in 1860 and analyzing later land records, it appears that Jacob may have homesteaded on 80 acres of land about one mile north of where the community of Cravens is now located. In 1860, this was in Mulberry Township, but is now in Cravens Township, which was formed about 1890 from the eastern part of Mulberry Township and the western part of White Oak Township (plus parts of some other adjoining townships). This is probably the same 80 acres of land (S ½ of SE ¼ of Section 1, T10N R28W) for which Jacob received a land patent on 30 December 1882, under the act of Congress approved 20 May 1862 “To secure Homesteads to actual settlers on the public domain”. One of the primary purposes of these public land laws was to encourage people from the East to move west. The Homestead Act of 1862 allowed people to settle up to 160 acres of public land if they lived on it for five years and grew crops or made improvements. This homestead land did not cost anything per acre, but the settler did pay a filing fee. (Why it took so long for Jacob to obtain a land patent is not clear.) The location of this land is shown in the yellow rectangle in the map below. This is about 5.5 miles northwest of the bounty land grant he obtained and sold in 1855 (shown by the green rectangle).

<sup>26</sup> Two page numbers appear on the census sheet; both are given here.

*Land owned by Jacob Blackwelder Shaver in Franklin County, Arkansas; 80 acres near Ozark (E ½ of NE ¼ of Section 27, T10N R27W) was a bounty land grant in early 1850s, sold in 1855; 80 acres near Cravens (S ½ of SE ¼ of Section 1, T10N R28W) was probably occupied by him since the mid-1850s and secured by a homestead act patent in 1882*

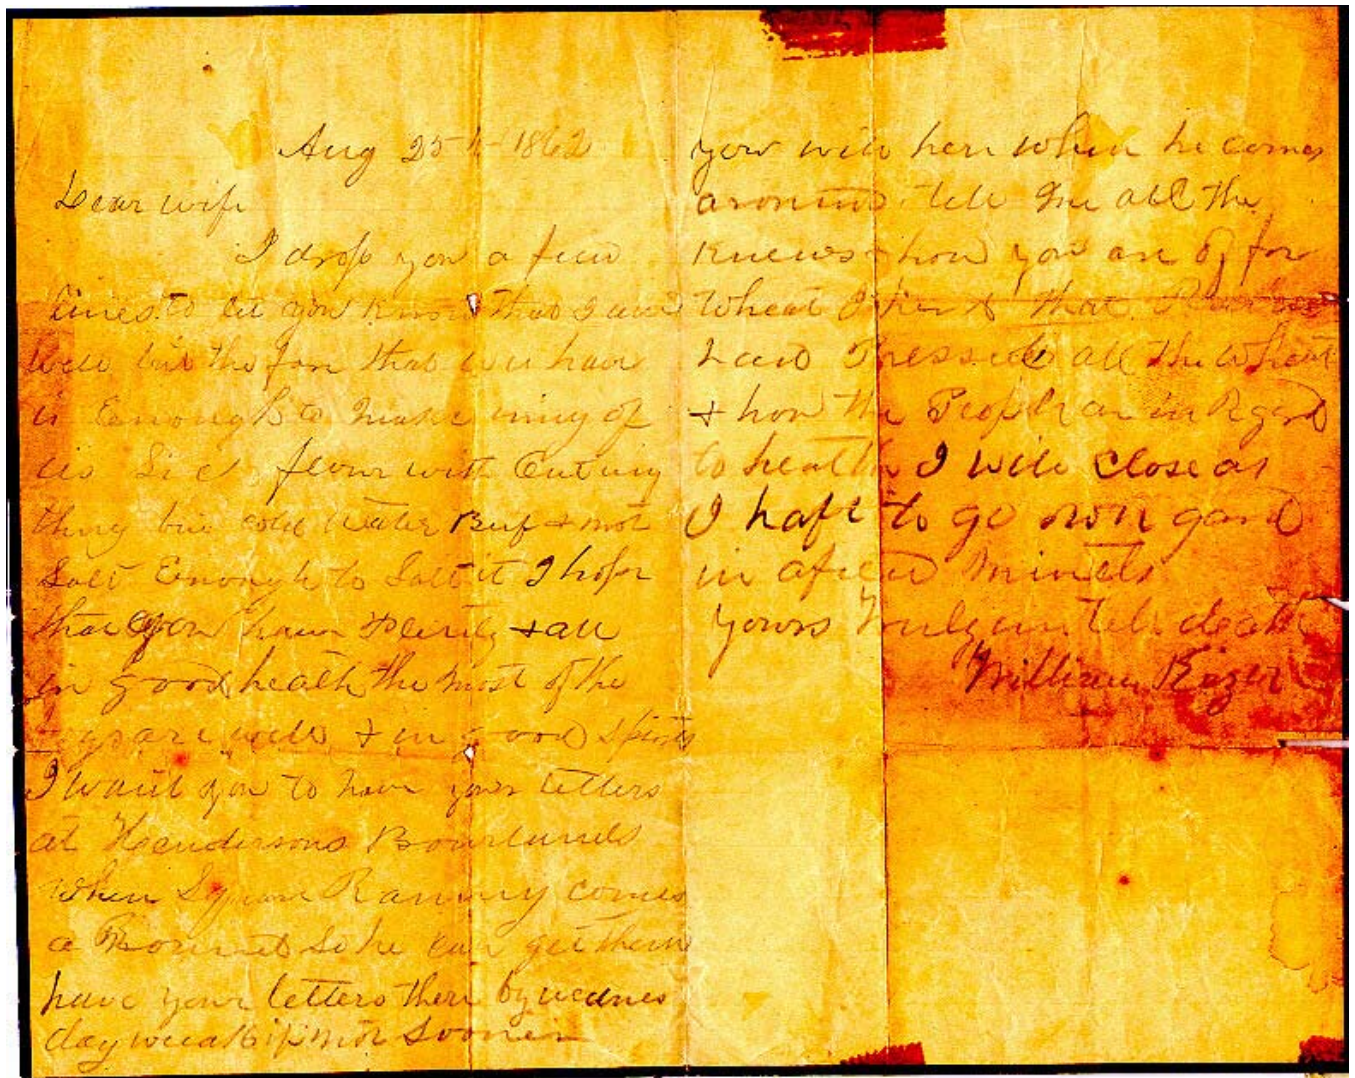

Three of Jacob's other children were living in Franklin County in 1860. Thurza Malinda (Shaver) Kizer was in White Oak Township, probably about two or three miles south-southeast of where Jacob lived. John Phenius Shaver (blacksmith) was living in Mulberry Township. Andrew Buchanan Shaver was farming in Mulberry Township. William Jasper Shaver was farming in Henderson County, Texas. The rest of Jacob's children were living in California. John P. Shaver was a miner living in the household of his sister Martha Elizabeth and her husband James Ervin Burnham (also a miner) in Calaveras County, California. Mary Narcissa (Shaver) Webb was in nearby San Joaquin County, California, farming with her husband John Perkins Webb and some of his brothers.

## Franklin County, Arkansas (during the Civil War)

The Civil War was soon underway. Arkansas had voted to secede from the Union on 6 May 1861.

On 2 July 1862 in Ozark, Thurza Malinda's husband William M. Kizer enlisted to serve with Company I of the Arkansas 34<sup>th</sup> Infantry Regiment. The 34<sup>th</sup> Infantry Regiment was formed in the summer of 1862 from counties in northwest Arkansas (Company I's recruits coming from Franklin County).

Fortunately, two letters survive from soldier William M. Kizer to his wife Thurza in late 1862. They paint a vivid picture of the conditions during the war in the west from a Confederate perspective. Of particular note are the compassion for the other soldiers (on both sides of the war) and a healthy skepticism regarding rumors about the war's progress. It would be very interesting to find other letters from later in the war (if they were ever written) to learn of his feelings as the war dragged on and times became increasingly desperate.

If so we will be apt to leave here soon for Mo. We heard this evening that Stonewall had whipped the feds in Pennsylvania and had taken 30,000 prisoners. If this be so it is a great achievement for our cause. But doubt the report. Tell Joe's and Isaac's folks to write to me as I cannot get paper to write to them. Also Lancaster's folks. The report here in Camp is that . . . is retreating from the feds.*

We hear all sorts of reports, good, bad, and indifferent. But hope we may fight the good fight and come alive and victorious in the end.*

*W. K."*

Of Thurza Malinda's six brothers, family tradition says that five fought for the Confederacy. However, her brother Joseph (who married William Kizer's sister Nancy) enlisted with Company K of the Kansas Infantry (Union) on 14 December 1863. The family story is that Nancy encouraged him to fight for the Union side in order to get a pension (figuring they would win the war). Joseph's father Jacob Shaver reportedly disowned him as a result. Joseph was mustered out on 17 June 1865 in Little Rock, Pulaski County, Arkansas and never did return to live in Franklin County.

Francis Marion Shaver and his brother Andrew Buchanan Shaver both enlisted in Company K (Crider's Company) of the 15<sup>th</sup> Arkansas Infantry at Ozark on 15 February 1862. Francis was an "Orderly Sgt." and Andrew was a Corporal. They were both captured 4 July 1863 at Vicksburg, Mississippi and later paroled. Francis remained in Titus County, Texas for a number of years after the war. Andrew returned to Franklin County, Arkansas.

Isaac Milton Shaver does not appear in the Confederate rolls, but Mary Alice Hamm told me that he did fight in the war. She said that he was starving near the end of the war and got bad food poisoning from eating an ham that had rolled off of a wagon. He reportedly suffered poor health for many years as

a result. Isaac and his family migrated to Titus County, Texas late in the war, but returned to Franklin County, Arkansas not long after the war ended.

William Jasper Shaver served in an infantry regiment in Texas during the latter part of the war (serving while in his early 40s). He applied for a Confederate pension in 1909<sup>27</sup>, but was denied the pension:

It is not clear whether any of the men in the family living in California (John P. Shaver and his brothers-in-law James Ervin Burnham and John Perkins Webb) fought in the Civil War.

## *Franklin County, Arkansas (after the Civil War)*

The Franklin County tax lists of 1866-1875 (some years missing) show that Isaac Milton Shaver, Andrew Buchanan Shaver, and William M. Kizer had returned there, living in White Oak and Mulberry Townships (from which Cravens Township was later formed). A deed dated 8 September 1866<sup>28</sup> reports that Isaac mortgaged to E. Bourland "4 acres cotton crop on White Oak 8 miles N. W. Ozark, Arks.". This location corresponds to the land that Jacob homesteaded (S ½ of SE ¼ of Section 1, T10N R28W). Jacob Blackwelder Shaver does not appear in the tax lists of this period, but was probably living in Isaac's household.

The 1870 census of Franklin County, Arkansas does not list a household for Jacob Shaver, Isaac Shaver, or William M. Kizer. It appears that the census enumerator missed that part of the population, for whatever reason. Andrew Shaver and his wife Melvina Binkley are shown living in White Oak Township. (They were married about 1868, place unknown. Melvina's parents were Elisha Binkley and Harriet Jane McCormack.)

In the meantime, Francis Marion Shaver had married 30 January 1867 in Titus County, Texas to Sarah Ann Young (daughter of Garrett Young and Mary Ann -----). They appear in the 1870 census of Titus County. William Jasper Shaver has not been found in the 1870 census, but was probably living in Anderson County, Texas.

In 1870, Joseph Phenius Shaver and his family were living in Searcy County, Arkansas. (He named his son Jacob Valentine (born October 1869), after both grandfathers, so perhaps Joseph and his father Jacob had reconciled by then.)

Martha Elizabeth is listed in the 1870 census of Calaveras County, California with her husband James Ervin Burnham, a gold miner. Nearby in Stockton, San Joaquin County, California was her brother John P. Shaver, still single, working as a bartender in a saloon. Their sister Mary Narcissa and husband John Perkins Webb were farming in Empire Township, Stanislaus County, California.

Congress passed an act on 14 February 1871 authorizing pensions for surviving soldiers of the War of 1812. Jacob applied, and was granted a pension of \$8 per month, starting in August 1873:

*List of Pensioners on the Roll / January 1, 1883 (Washington, DC: Government Printing Office, 1883), Vol. V, p. 299 (Franklin Co., AR)*

*Certificate: 20678*

*P. O. Address: Ozark*

*Cause: Surv[ivor off]. 1812*

*Monthly Rate: \$8.00*

*Date of Original Allowance: Aug 1873*

On 19 October 1878<sup>29</sup>, Jacob Shaver sold to his son Isaac for \$14 the 80 acres upon which Jacob had apparently homesteaded since the 1850s (for which a homestead patent from the federal government was issued to Jacob in 1882). This warranty deed was filed 14 March 1879.

As shown by the 1880 census of Franklin County (E. D.<sup>30</sup> 60, Mulberry Township, p. 33, dated 18 June 1880), Jacob lived in Isaac's household at this time. Note that he gave his parents' birthplaces as Pennsylvania for both of them. We know that John Shaver (Jacob's father) was probably born in Ephrata, Lancaster County, Pennsylvania around 1745. Mary (Blackwelder) Shaver (Jacob's mother) may have actually been born in Virginia, as her parents had left Pennsylvania for Virginia by 1744 (and hadn't moved to North Carolina until the late 1750s).

Also in the household was Mary Pernetta "Nettie" Vaughn, daughter of Matilda Caroline (Shaver) Vaughn Webster. Matilda was living nearby in Mulberry Township with her brother Andrew Buchanan Shaver's family.

The William M. Kizer family (Thurza Malinda's) was living a few miles south-southeast in White Oak Township (later to be part of Cravens Township) in Sections 18 and 19 of T10N R27W.

*William M. Kizer & Thurza Malinda (Shaver) Kizer*

The rest of Jacob Shaver's children and their families lived out-of-state. Joseph Phenius Shaver was a farmer in Wood Township, Wright County, Missouri. William Jasper Shaver was a farmer in Precinct 3 of Anderson County, Texas. The rest were in California.

<sup>30</sup> E. D. = Enumeration District

John P. Shaver had married in Stockton, San Joaquin County, California on 28 October 1874<sup>31</sup> to Matilda Sirey, a daughter of Irish immigrants. They were living with her mother in Stockton in 1880. John's occupation was retail liquor dealer. His sister Martha Elizabeth, at the time of the 1880 census, lived in San Andreas Township in Calaveras County with her husband James Ervin Burnham (a farmer, no longer a gold miner). Mary Narcissa and her husband John Perkins Webb were also in Calaveras County (Copperopolis). He was a rancher.

Jacob Blackwelder Shaver died in Franklin County on 19 August 1884, somewhere between the age of 92 to 94. Again, here is how the obituary by E. M. Roach describes the last years of his life:

*"He . . . transferred his membership [from the White Oak congregation] to Lone Elm in 1882. For about 6 years Uncle Jacob was confined to his room, and much of the time to his bed, in consequence of a very serious hurt from a fall on the ice in Ozark. He suffered a great deal but bore it with a great deal of Christian fortitude, and on the 19<sup>th</sup> of August passed away quietly and was buried at Fleeman's Chapel by the side of his wife who had preceded him by 30 years. He left several children and a great many grandchildren and quite a number of great grandchildren. So far as the writer knows this is the last link that connected Franklin County with the last century."*

In the obituary, E. M. Roach refers to him several times as "Uncle Jacob". Roach was not related to the Shaver family, but the title "Uncle" is clearly an affectionate term used by the Presbyterian minister for the senior member of his congregation.

*Graves of Thurza (Moss) Shaver & Jacob Blackwelder Shaver*

The gravestones of Thurza and Jacob were placed there fairly recently<sup>32</sup> (about 2000) by Betty Jean (Walls) Harris, a granddaughter of Francis Marion Shaver. Notice the smaller broken gravestone behind Thurza's new gravestone. (Does the older gravestone have any decipherable inscription on it? That would be good to know. Also, was there an older stone for Jacob?) (Thanks to Jacob's 2<sup>nd</sup>-great-grandson Gary Hood for locating these gravestones.)

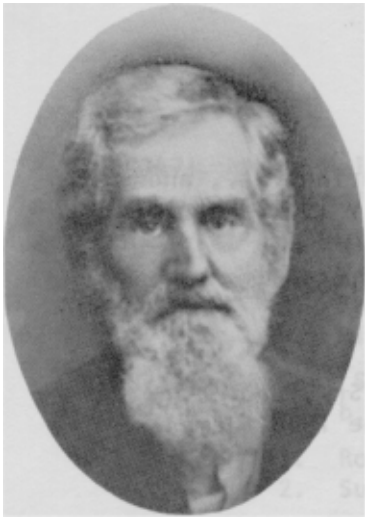

The Postmaster of Ozark received an inquiry<sup>11</sup> from the Pension Office at the Department of the Interior dated 19 November 1885 asking for confirmation of the status ("living or dead") of the pensioner "Jacob Shaver (War 1812) . . . His last known address was at your place in June '84".

What became of the 80 acres of land that Jacob owned? We saw that he sold it to his son Isaac in 1878. There were two mortgage deeds<sup>33</sup>, dated 25 November 1886 and 20 December 1887, in which Isaac borrowed money, using the farm as collateral. Apparently he was able to pay off his loans, as he is still listed as a farm owner in the 1900 census of Franklin County (E. D. 188, Cravens Twp., Cravens, p. 3, dated 6 June 1900). More research of the Franklin County deeds needs to be conducted to find out what eventually happened to this land.

## *Epilogue*

Jacob Blackwelder Shaver and his wife Thurza Moss had eleven children (of whom ten survived infancy, married, and had families). There were 71 grandchildren and 293 great-grandchildren. Their ten children who reached adulthood lived an average lifespan of about 70 years. The last surviving child, Francis Marion Shaver, died in 1931. The descendants now living are primarily in Arkansas, Oklahoma, Texas, and California.

William Jasper Shaver was last known to have been 89 years of age, living in Anderson County, Texas in 1909. The date and place of his death are not known. Isaac Milton Shaver died in Franklin County, Arkansas on 6 April 1907, at age 81. Mary Narcissa (Shaver) Webb died on 10 June 1892, probably in Calaveras County, California, at age 64. Martha Elizabeth (Shaver) Tucker Burnham died in Calaveras County on 8 April 1924, at 94 years of age. Joseph Phenius Shaver died on 28 February 1913 in Gans, Sequoyah County, Oklahoma at age 80. John P. Shaver's date of death in San Joaquin County, California was 23 February 1890 or 1896; his age was either 55 or 61. Thurza Malinda (Shaver) Kizer died on 3 March 1919 at the home of her son Taylor in Mulberry Township, near Lonelm, in Franklin County, Arkansas, just shy of her 83<sup>rd</sup> birthday. Francis Marion Shaver also died in Franklin County, on 25 December 1931, at 93 years of age. Andrew Buchanan Shaver's death may have occurred in the Cherokee Nation (in what is now Sequoyah County, Oklahoma) in the mid-1890s. If so, he would have been in early 50s.

This biography is intended to be a working document, which will be enriched as we uncover more source material revealing the lives of this family. This will include sources found in federal, state, and local archives – censuses, land records, tax lists, military records, church and cemetery records, newspapers, vital records, etc. Equally important will be old family photographs, family data in Bibles, correspondence, and personal remembrances from their descendants. I hope that anyone familiar with this family who reads this and can contribute comments, corrections, and additional information and source material will contact me. The family members I have met through genealogy are who really make it all so enjoyable. Many of those with whom I corresponded starting in the late 1960s are no longer with us but have found their way onto these pages and have left behind many pleasant family memories that will stay with us for many more generations.

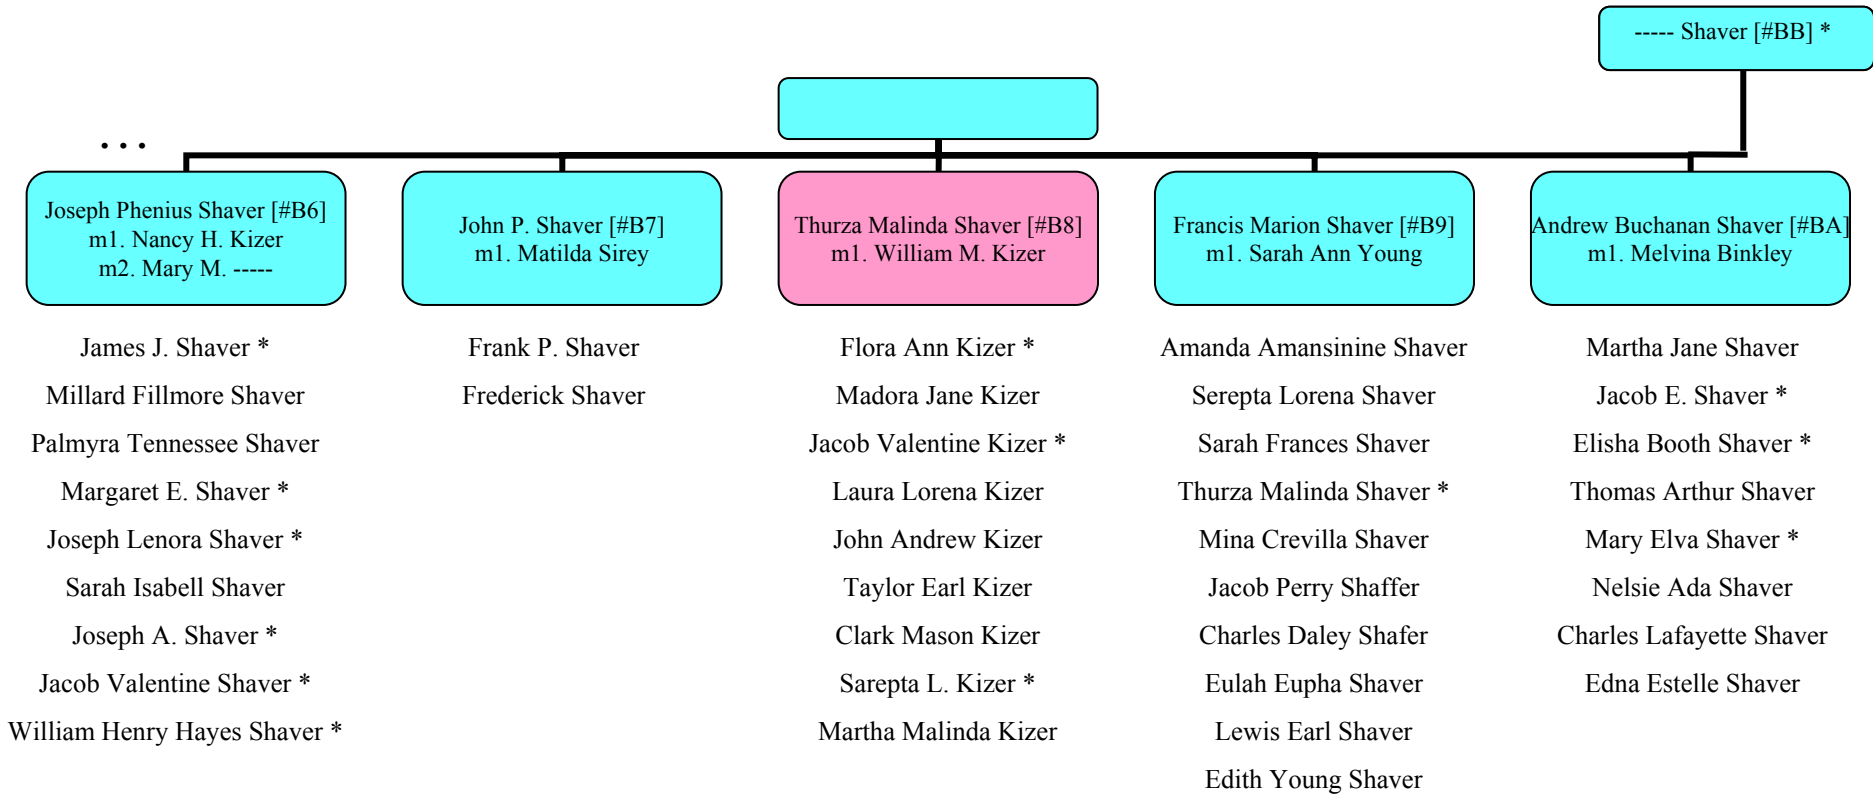

## ***Appendix A. Descendants of Jacob Blackwelder Shaver & Thurza Moss (through 3 Generations)***

Jacob Blackwelder Shaver and Thurza Moss had eleven children, 71 grandchildren, and 293 great-grandchildren. A listing of these descendants is presented in the following pages, along with a list of sources for the births, deaths, marriages, and relationships, as well as a name index. Many of the sources may be found on my Shaver and Kiser web sites (<http://arslanmb.org/shaver/shaver.html> and <http://arslanmb.org/kiser/kiser.html>). Descendants of this couple may request a more complete listing (including the current generations) by sending me a letter or e-mail.
