Benton Co., pp. 734-735 (Biography of Judge B. F. Shaver [#275]) {19117}

Judge B. F. Shaver, one of the leading men of Union Township, is a native of Middle Tennessee, born February 15, 1844, and is the son of William and Susan (Langford) Shaver, also natives of Tennessee. The father was a carpenter and farmer by occupation. He died in the fall of 1846, and the widow and six children then came to Benton County, Mo., settling in Fristoe Township, where the mother spent the remainder of her days. She was a member of the Baptist Church, and died September 22, 1881, at the age of sixty-three years. Judge B. F. Shaver grew to manhood in Benton County, and was there married to Miss Leatha M. Black, a native of Benton County, and the daughter of James M. Black. Mr. and Mrs. Shaver are the parents of five children, all at home: James H., Mary S., Thomas W., Jesse and Luther Dee. Judge Shaver and wife are members of the Methodist Protestant Church, and he is steward of the same. He is the owner of 430 acres of land, and is one of the prominent farmers of the county. He is a Republican in his political views; was elected by that party to the position of associate judge in 1886, and held that office two years. He commenced life a poor boy, and has made all his property by his own individual labor. He is engaged in farming and stock-raising. For a number of years he was occupied in teaching school. He enlisted in the war for the Union, in 1863, and served until cessation of hostilities. He was in numerous skirmishes with the bushwhackers.

Jordan L. Shaver, merchant at Fairfield, Mo., is a native of Wilson County, Tenn., born April 2, 1846, and the son of William H. Shaver, who was born in Sumner County, Tenn., and who was married in the same county and State, to Miss Susan E. Langford, also a native of Tennessee. The family moved to Missouri in 1839, and located in Benton County, where they remained one year, but afterward moved back to Tennessee. Mr. Shaver died in 1846, and in 1859 his widow returned to Missouri, and settled in Richwoods, Benton County. She died November 22, 1881. To their marriage were born six sons, and Mrs. Shaver was the mother of one child by her subsequent marriage to T. W. Dalton. The brothers are all living, four in Benton County and three in Tennessee, and all are married with the exception of the eldest brother, James M., who is in the store with his brother, J. L. Shaver. The last named was but thirteen years of age when he came to Missouri, and his youthful days were spent on the farm, where he received a good practical education in the common schools of Benton County. This was supplemented by a year at New Middleton College, Tennessee. Later he followed teaching in Benton County for three years, and in 1878 commenced merchandising at Mt. View, Benton County, where he sold goods up to March, 1888. He then sold out, and purchased his present property in October of the same year. He succeeded A. J. Wisdom, of Warsaw. Mr. Shaver carries a stock of general merchandise, and has built up a good trade; has also a stock of drugs, and aside from this is the owner of a good farm. He was married in Benton County, Mo., December 5, 1872, to Miss Florence V. Smith, a native of Pennsylvania, but who was partly reared in Wisconsin, and the daughter of Lafayette Smith. This union resulted in the birth of eight children: William C., Bertha L., Nellie B., John R., Jordan E., Florence V., Leslie V. and Vivian.

He loved music and spent many hours playing his mandolin for pie suppers in little one room schools, senior citizen buildings, and in many homes around the community. Chet had professed his faith in Christ and assured his family and friends that he was ready to meet his Maker. He was a devoted family man and had a great love for his family. Chet was a wonderful husband, father, grandfather, and brother, and was a caring friend to all who knew him. He will be sadly missed in his home and community. Our loss is heaven's gain.
