 bapt. 4 Jun 1709

[Note: This is a confusing entry. The original (next) does not have the child's given names, but the later copy (after the original) shows the name as Pierre Antoine. The original has the mother's name originally written as Anne Banlier, but that is crossed out and replaced with Marie Febvrie. Antoine Martin (b. ca. 1673), who married Marie Febvrier in 1698, is a son of Charles Martin and Catherine Dupuy, of Boucherville. What is Antoine's connection to Jean Martin (who married Anne Banlier about 3 months prior to the birth of this child)? The 1681 census of Boucherville shows the Charles Martin household with a 1-year-old son Jean. – MBA 11 Aug 2007]
